

M&P SERIES

Two-Day Service Training Course

Crescent Parts & Equipment is proud to host this 2-day service training course for installation and troubleshooting of Mitsubishi's M-series & P-series systems.

The concepts and theories of M-series & P-series system operation are covered, including a study of the unique function and technologies employed. Theories of properly applying, installing, and troubleshooting M-series and P-series systems will be discussed, along with practical hands-on exercises.

2020 TRAINING DATES:
