KE2 Therm University

KE2 Therm is proud to launch our newest training initiative, KE2 Therm University. This video training series can be viewed at your desired pace and is comprised of 4 levels to help you gain a better understanding of KE2 Therm product features and benefits.

- Level 1 – Intro and KE2 Temp family (9 videos, 29 minutes)
- Level 2 – KE2 Evaporator Efficiency (8 videos, 27 minutes)
- Level 3 – Application and Trouble shooting (10 videos, 27 minutes)
- Level 4 – Communications (7 videos, 27 minutes)

The training series can be found on KE2 Therm’s YouTube video channel, under Playlists. We have grouped each of the 4 Levels into its own playlist.

If you would like to receive a link to test your knowledge and receive a KE2 University Diploma, send us your contact information to ke2u@ke2therm.com
Contact info required: Name – Company – Location – email address

Steps to complete the training series and receive a KE2 University Diploma

- ✓ Log onto <https://www.youtube.com/user/KE2Therm/playlists> to access video training
- ✓ Watch each video in the playlist
- ✓ Take the quiz to see what you have learned after each Level
- ✓ Request KE2 Therm Certified Diploma once you have completed all 4 Levels
